

RIDER MEDIA

EVENT PRODUCTION SERVICES

THE SKINNY

Rider Media is a value added, mobile event production company. We work closely with you to provide a superior production experience while being budget conscious.

A TEAM THAT GETS IT!

- Multi-camera productions.
- Live web streams to various platforms.
- Live feeds to broadcasters via satellite, fibre, and the internet.
- SM integration. Your viewer adds to the experience.
- Graphic development with manual and automatic ingestion of data.
- Pre-produced profiles and story segments for playback live.
- Fully scripted (run of show) outline of live broadcast.
- Assistance with event coordination.
- Advertising options via commercials / graphics to reduce cost.
- Experienced and hard working crews. Customer focused.
- Experienced live commentary for broadcast and event including PxP, Colour, Reporting, MC's, and voice overs.

WE ARE NOT JUST A FAIR WEATHER OPERATION

- Indoor and outdoor sports.
- Outdoor sports over distances, in the backcountry, and resort based events such as alpine skiing and snowboarding.
- Corporate meetings and conferences.
- Outdoor and indoor music festivals, concerts, and award ceremonies.

HOME BASE

We are based out of Calgary, Alberta, although, Rider Media is 100% mobile. Our unit consists of a 7' x 16' command centre, accommodation for set up crew that also acts as onsite security, and room for live commentators.
